SUMMARY

Web Developer with background in graphic design. Knowledge of HTML, CSS, C#, Entity Framework Core, SQL, ASP.NET, .Net Core, and Adobe Creative Suite.

EXPERIENCE

Software Development

Code Louisville | Class 2022

- Classwork consisted of realworld projects that included a console application, a MVC project, and a Razor Pages Project. These projects were built with C#, ASP.NET, Entity Framework Core, SQLite, Visual Studio, Visual Studio Code, Bootstrap, HTML, and CSS.

Graphic Designer

The Southern Baptist Theological Seminary | Louisville, KY | Aug 2018-Current

- Branded events and designed email blasts, catalogs, posters, and other promotional materials leveraging Adobe InDesign, Photoshop, and Illustrator.

Freelance Web and Graphic Designer

Trinity Church Wall Street | Kansas City, KS | Jul 2022-Sep 2022

- Developed unique website and logo using Adobe Illustrator to strengthen company brand and identity. Generated digital image files for use in digital and traditional printing.
